1963 INDEX TO ARTICLES

SUBJECT OF ARTICLE — MONTH & PAGE

— A —

AAA Speakers Discuss Communications ..... Mar. 70
ACS Discusses Ammoniation of Superphosphate ..... Nov. 68
ACS Fertilizer Division Papers ..... Oct. 72
Aerial Application Improves ..... July 43
Aerial Spraying, Low Volume ..... Dec. 63
Agricultural Business Careers: Student Attitudes ..... April 16
Agricultural Chemicals Should Support Universities ..... Oct. 84
Agricultural Education: Industry's Part ..... Feb. 42
Agriculture and Communism ..... Oct. 25
Agriculture: Can Helicopters Compete With Airplanes In ..... April 57
Airblast Sprayers ..... Oct. 52
Airplane Distribution Systems' Cost (Part I) ..... Feb. 59
Airplane Distribution Systems' Cost (Part II) ..... Mar. 65
Ammonium Sulfate: Production ..... Sept. 54
Anticoagulant Rodenticide from WARF Labs ..... Jan. 34
Arizona Cotton and Mexican Bollweevil ..... April 44
Armour Opens Research Center ..... June 36
ASAE Meets in Miami Beach ..... Aug. 47
Atrazine as Herbicide in Corn, Potatoes ..... Feb. 48

— B —

Beltwide Cotton Conference ..... Feb. 82
Brush Control ..... Dec. 32
1963 Buyer's Guide ..... Sept. 73

— C —

California Reports on Pesticide Injuries ..... July 27
Chemical Deposition Improved Through Electrostatic Charging ..... April 20
Clear Lake Gnat Eradication ..... Sept. 37
CMRA Meets In Atlanta ..... Dec. 48
Clemson Pesticide School ..... April 80
Coated Fertilizers ..... Aug. 26
Columbia Nitrogen's Augusta Fertilizer Complex ..... Jan. 42
Communications Stressed by AAA Speakers ..... Mar. 70
Connecticut Pesticide Committee Reports ..... June 28
Control Chemist Today ..... Nov. 25
Control Measures: Natural Insect Controls Are Inadequate ..... Mar. 22
Copper Deficiency in Soil ..... Jan. 14
Corn Growers Discuss Fertilizer and Soil ..... July 35
Corn, Potatoes: Atrazine as Herbicide ..... Feb. 48
Corn Rootworm Control ..... Nov. 28
Cotton (Arizona): and Mexican Bollweevil ..... April 44
Cotton Herbicide: Disodium Methyl Arsonate ..... June 59
Crop Production and Weed Control Principles ..... June 48
Crop Shipments to be Sampled by FDA ..... May 34
CSMA Panel Discusses Labels ..... July 32
Custom Spray School Discussion ..... Mar. 59

— D —

DDT Offers Superior Fly Control ..... Mar. 24
De-Pester Western: Service Replaces Sales Force ..... Jan. 16
Disodium Methyl Arsonate: Application as Cotton Herbicide ..... June 59
Drift Control Offered by Bifluid Spraying System ..... May 59

— E —

Eastman's Expanded Laboratory Facilities ..... April 37
Electric Fork Truck Lifts ..... Sept. 41
Electrostatic Charging Offers Improved Chemical Deposition ..... April 20
Eradication of Northeast Gypsy Moth Remains at Standstill ..... Jan. 26
European Pesticides Market ..... Dec. 24
Experiences with Pre-Neutralization ..... April 41
Exports: Analysis of Pesticides ..... Aug. 29
Export (1962) of Pesticides Shows Gain During First Half ..... April 34

— F —

Faesy and Besthoff Consolidate Operations ..... Sept. 47
Farmer Purchasing Patterns ..... May 45
Far East: Fertilizer Opportunities in (Part I) ..... Mar. 28
Far East: Fertilizer Opportunities in (Part II) ..... April 22
Far East: Fertilizer Opportunities in (Part III) ..... May 37
FDA To Sample Crop Shipments ..... May 34
Federal and State Legislatures Consider Further Pesticide Regulations ..... April 24
Fertilization of Small Grain Improved by Reversing Seed and Fertilizer Tubes ..... Feb. 57
Fertilizer and Pesticide Production in Mexico ..... May 22
Fertilizer and Soil: Corn Grower Discusses ..... July 35
Fertilizer Applications: Cost of Airplane Distribution (Part I) ..... Feb. 59
Fertilizer Applications: Cost of Airplane Distribution (Part II) ..... Mar. 65
Fertilizer Granulation ..... Sept. 35
Fertilizer Industry Control Views ..... Aug. 30
Fertilizer Industry: Mergers ..... Nov. 43
Fertilizer Industry Round Table, 13th ..... Dec. 27
Fertilizer Opportunities in the Far East (Part I) ..... Mar. 28
Fertilizer Opportunities in the Far East (Part II) ..... April 22
Fertilizer Opportunities in the Far East (Part III) ..... May 37
Fertilizer Plant Operations: Improved Handling Offers Savings ..... April 38
Fertilizer Rise of 4% Indicated by USDA Report ..... May 30
Fertilizer Sales Boosted by Increased Crop Yields ..... Mar. 83
Fertilizer Section of National Safety Council Meets ..... Jan. 30
Fertilizer Section, NSC, Meets in Chicago ..... Dec. 40
Fertilizer Supplies (1962-63) Expected to Increase by 9% ..... May 40
Fertilizer World Use to Continue to Climb ..... Feb. 46
Fertilizers: Coated ..... Aug. 26
Fertilizers Will Help Boost Plastic Bag Use to 30 million ..... May 26
Flame Cultivation, Residues, Granules Discussed ..... Mar. 59
Fly Control Offered by Antiresistant DDT ..... Mar. 24
F-23 Nears Production Stage ..... Feb. 72
Food Processors Discuss Pesticide Residues ..... Oct. 67
Food Supply: Responsibilities Outlined for Protection ..... May 42
Forest Insects in 1962 ..... Mar. 74
Free Choice Feedings of Systemics ..... April 26
Freight, Fertilizers, and Profits ..... Sept. 47

— G —

Gnat Eradication: Clear Lake ..... Sept. 37
Granule-Applicating Equipment: Discharge Rate ..... Feb. 53
Granulation Aided by Steam ..... July 29
Gypsy Moth: Connecticut Pesticides Committee Asks Repeal of Control Funds ..... June 28
Gypsy Moth Re-infests Northeast ..... Jan. 26

— H —

Hawkeye Nitrogen Complex ..... Sept. 111
Hemlock Looper Control ..... Sept. 71
Herbicides: Spraying Near Sensitive Crops ..... Aug. 52
Home Fertilizer Consumption Will Increase ..... Jan. 20
Humus Material Derived from Leonardite Deposit ..... June 52

— I-J-K-L —

Information, Industry Must Impart Accurate ..... April 82
Insect Control Measures Inadequate for Farming ..... Mar. 22
Insect Resistance to Existing Pesticides ..... Jan. 39
Insecticide (Microbial) Undergoes Field Tests ..... June 41

Gnat Eradication: Clear Lake ..... Sept. 37
Granule-Applicating Equipment: Discharge Rate ..... Feb. 53
Granulation Aided by Steam ..... July 29
Gypsy Moth: Connecticut Pesticides Committee Asks Repeal of Control Funds ..... June 28
Gypsy Moth Re-infests Northeast ..... Jan. 26

— H —

Hawkeye Nitrogen Complex ..... Sept. 111
Hemlock Looper Control ..... Sept. 71
Herbicides: Spraying Near Sensitive Crops ..... Aug. 52
Home Fertilizer Consumption Will Increase ..... Jan. 20
Humus Material Derived from Leonardite Deposit ..... June 52

— I-J-K-L —

Information, Industry Must Impart Accurate ..... April 82
Insect Control Measures Inadequate for Farming ..... Mar. 22
Insect Resistance to Existing Pesticides ..... Jan. 39
Insecticide (Microbial) Undergoes Field Tests ..... June 41

Iroquois Service Co. ..... June 81
Kankakee Chemical Co. ..... Aug. 41
Kansas City Experiments: Free Choice Feeding of Systemics ..... April 26
Labor Costs ..... Sept. 38
Lawn And Specialty Fertilizers ..... Jan. 19
Legislation: Future of Applicators ..... Mar. 53
Leonardite Deposit Yields Humus Material ..... June 52
Liquid vs. Granular Pre-Emergence Herbicides ..... May 52
Low Volume Aerial Spraying ..... Dec. 63

— M —

MACA Fall Meeting ..... Oct. 83
Mergers in Fertilizer Industry ..... Nov. 43
Mexico: Fertilizer and Pesticide Production ..... May 22
MH-30 And the Foreign Tobacco Market ..... Aug. 37
MH-30: Use Opposed on Tobacco ..... April 29
Microbial Liquid Insecticide Undergoes Extensive Field Tests ..... June 41
Micronutrients in Fertilizer Programs ..... Sept. 57
Midwest Conference: Increased Crop Yields Boost Fertilizer Sales ..... Mar. 83

— N-O —

NACA Meets at Homestead ..... Nov. 39
NACA To Discuss Business and Finance ..... Oct. 37
NATA Agricultural Applicator Report ..... April 49
'Natural' Insect Control ..... July 37
NFSA Meets In Cincinnati ..... Dec. 36
Nitro-Phosphates for Production of Complete Fertilizers ..... April 30
NPFI Meets at the Greenbrier ..... July 22
NPFI To Spotlight Economics at Greenbrier ..... June 44
NPFI Traffic Committee ..... April 18
Oil Companies and Pesticides ..... Oct. 24
Oil Sprays for Orchards ..... Dec. 61

— P —

Particle Size: Selection of Proper Equipment for Reduction ..... June 30
Personnel are Key to a Successful Business ..... Jan. 46
Pest Control Outlook ..... Nov. 53
Pesticide Controls Adequate ..... Sept. 66
Pesticide Exports (1962) Show First Half Gain ..... April 34
Pesticide Injuries: California Reports ..... July 27
Pesticide Labeling Regulations ..... Oct. 38
Pesticide Re-Examination Urged to Overcome Insect Resistance ..... Jan. 39
Pesticide Residues ..... Oct. 67
Pesticide Regulations Considered by Federal and State Legislatures ..... April 24
Pesticide Safety Responsibility of Industry ..... Mar. 35
Pesticide Sales Rise in NAC Report ..... Jan. 32
Pesticide Sales Show 14% Increase ..... Oct. 44
Pesticide Tolerance Status ..... Feb. 22
Pesticide Use is Defended in Replies to 'Silent Spring' ..... Jan. 100
Pesticides: Analysis of Exports ..... Aug. 29
Pesticides and Oil Companies ..... Oct. 24
Pesticides and Profits ..... Nov. 50
Pesticides Conference, California ..... Dec. 69
Pesticides Essential to an Abundant Food Supply ..... Feb. 51
Pesticides: Impact on Public Health and Recreation ..... May 25
Pesticides Market, European ..... Dec. 24
Pesticides: Safety Depends on Adequate Precautions ..... June 65
Pesticides: Science Advisory Committee Urges Tighter Controls ..... June 20
Pesticides: Tightening of Regulatory Procedures Beneficial ..... June 23
Pesticides: Wildlife Shows Resistance ..... Sept. 32
Pfizer Enters Rodenticide Market ..... Feb. 39
Plant Food Losses From Stack Effluents ..... Feb. 25
Plastic Bag: Fertilizers Will Help Boost Use ..... May 26
Poisoning Symptoms Discussed With Medical Group ..... Mar. 38
Polyethylene Bags ..... Nov. 30
Polyram Offered for Potato Blight Control ..... June 86
Pre-Emergence Herbicides: Liquid vs. Granular ..... May 52
Producing and Selling Lawn and Specialty Fertilizers ..... Jan. 19
Production of Ammonium Sulfate ..... Sept. 54
Production of Complete Fertilizers: the Nitro-Phosphate Route ..... April 30
Product Liability ..... Nov. 22
Profits to be Increased by Efficient Soil Management ..... June 25

— Q-R —

Rate of Application Important ..... Jan. 22
Regulatory Procedures' Tightening Beneficial to Pesticides ..... June 23
Research, Pesticide, and University Policy ..... Dec. 51
Residue Data Distributed by Regional Research Program ..... June 42
Ribicoff Committee: An Open Letter ..... Aug. 23
Ribicoff Committee Hears Brinkley ..... July 20
Rice Herbicide Effectiveness Certified ..... Feb. 33
Rodenticide Developed at WARF Labs ..... Jan. 34

— S —

Safe Application of Pesticides Depends on Adequate Precautions ..... June 65
Safety Is Key to Profit and Success ..... May 49
Safety Urged at Home ..... Jan. 30
Safety With Pesticides is Responsibility of Industry ..... Mar. 34
Sales, Pesticide Leaders Discuss ..... Oct. 26
Sales Policy and Research Facts ..... Mar. 81
San Jose Scale: Combination Sprays ..... June 69
Science Advisory Committee Urges Tighter Controls Over Pesticides ..... June 20
'Silent Spring' Analysis ..... Feb. 29
'Silent Spring' Harm Can be Undone by Public Discussion ..... Jan. 63
Soil Management to Increase Farm Profit ..... June 25
Solid Raw Materials Handling ..... April 38
Southwest Fertilizer Conference ..... Sept. 57
Spreading Problems ..... April 52
Stack Effluents Effect on Plant Food Losses ..... Feb. 25
Steam as an Aid to Granulation ..... July 29
Stepan Chemical Complex Dedicated ..... Mar. 51
Students' Attitudes Toward Agricultural Business Careers ..... April 16
Superphosphoric Acid Developments ..... June 54
Superphosphoric Granulation With the Inclined Pan Granulator ..... Jan. 52
Survey Studies Farmer Purchasing Patterns ..... May 45

— T-U-V —

Tests for Early Season Weevil Control ..... Mar. 58A
Tolerances, Status of Pesticide ..... Feb. 22
Toxicologists Discuss Poisoning Symptoms with Medical Groups ..... Mar. 38
Tractor Shovel Requirements ..... Mar. 45
Universities Need Agricultural Chemicals Support ..... Oct. 84
University Policy and Pesticide Research ..... Dec. 51
USDA Committee Opposes Use of MH-30 on Tobacco ..... April 29
USDA Fertilizer Industry Roundtable ..... Nov. 46
USDA Report Indicates 4% Rise in Fertilizer Consumption ..... May 30
USDA To Tighten Pesticide Labeling Regulations ..... Oct. 38

— W —

WACA Discusses Tools of Selling ..... April 72
Weed Control Principles and Crop Production ..... June 48
Weevil Control Proves Effective ..... Mar. 58A
Weevil May Infest Cotton from Mexico ..... April 44
Western Corn Rootworm Control ..... Nov. 28
Wildlife Shows Resistance to Pesticide ..... Sept. 32
Woody Plants, Controlling ..... Dec. 32

1963 INDEX TO AUTHORS

AUTHOR **SUBJECT** **MONTH & PAGE**

Akesson, Norman B.; Airplane Distribution Systems Cost (Part I) ..... Feb. 59
Airplane Distribution Systems Cost (Part II) ..... Mar. 65
Aldrich, Daniel G., Jr.; Industry's Part in Agricultural Education ..... Feb. 42
Alger, Raymond V.; Product Liability ..... Nov. 22
Army, Thomas J.; Coated Fertilizers ..... Aug. 26
Bacuerlen, C. R.; FDA Plans More Sampling of Crop Shipments ..... May 34
Bear, Stuart; Pesticides and Profits ..... Nov. 50
Bongberg, J. W.; Conditions of Forest Insects in 1962 ..... Mar. 74
Bowen, H. D.; Electrostatic Charging Offers Improved Chemical Deposition ..... April 20
Brinkley, Parke C.; Status of Pesticide Tolerances ..... Feb. 22
Cheng, L. T.; Superphosphate Granulation With the Inclined Pan Granulator ..... Jan. 52
Church, R. J.; Producing and Selling Lawn and Specialty Fertilizers ..... Jan. 19
Cuff, Ray L.; Free Choice Feedings of Systemics ..... April 26
Daniel, J. M., Jr.; Steam as an Aid to Granulation ..... July 29
Decker, George C.; Natural Insect Control Measures Inadequate for Farming ..... Mar. 22
Derse, P. H.; Antiresistant DDT Offers Superior Fly Control ..... Mar. 24
Doherty, George; Home Consumption of Fertilizers Will Increase ..... Jan. 20
Duich, J. M.; Rate of Application Important ..... Jan. 22
Elwell, Harry M.; Controlling Woody Plants ..... Dec. 32
Everhart, C.; Solid Raw Materials Handling ..... April 38
Ferguson, Denzel E.; Wildlife Shows Resistance to Pesticides ..... Sept. 32
First, Robert S.; European Pesticides Market ..... Dec. 24
Galloway, Harry M.; Increasing Farm Profits Through Efficient Soil Management ..... June 25
Gardner, Leo R.; Safe Use of Pesticides is Responsibility of Industry ..... Mar. 34
Graham, C. A.; Analysis of Pesticide Exports ..... Aug. 29
Griffith, H. M.; Steam as an Aid to Granulation ..... July 29
Harms, John; Tightening of Regulatory Procedures Seen as Beneficial to Pesticide Industry ..... June 23
Henby, E. B.; Plant Food Losses from Stack Effluents ..... Feb. 25
Huang, T. H.; Superphosphate Granulation with the Inclined Pan Granulator ..... Jan. 52
Imberman, A. A.; Mergers in Fertilizer Industry ..... Nov. 43
Jackson, Robert D.; Evaluating Discharge Rate of Granule-Applicating Equipment ..... Feb. 53
Kahn, Murray A.; NATA Agricultural Applicator Report ..... April 49
Kampmeier, Carlos; Nationwide Trials Certify Effectiveness of Rice Herbicides ..... Feb. 33
Kido, H.; Combination Sprays for San Jose Scale ..... June 69
Knake, E. L.; Liquid vs. Granular Pre-Emergence Herbicides ..... May 52
Knipling, E. F.; Pest Control Outlook ..... Nov. 53
Status of "Natural" Insect Control ..... July 37
Krueger, H. R.; Selecting Equipment for Reducing Particle Size ..... June 30
Laurich, S. A.; Production of Ammonium Sulfate ..... Sept. 54
Lewis, J. W.; Producing and Selling Lawn and Specialty Fertilizers ..... Jan. 19
Lykken, Louis; Changing Students' Attitudes Toward Agricultural Business Careers ..... April 16
MacLeod, G. F.; Impact of Pesticides on Public Health and Recreation ..... May 25
Peterson, Maurice L.; University Policy and Pesticide Research ..... Dec. 51
Milliman, Loren H.; Industry Toxicologists Discuss Poisoning Symptoms With Medical Groups ..... Mar. 38
Re-examination of Existing Pesticides Urged to Overcome Resistance by Insects ..... Jan. 39
Washington Growers Discuss New Pesticides ..... Sept. 62
Mock, L. G. Jr.; Frank Discussions With Public Can Undo Harm Caused by "Silent Spring" ..... Jan. 63
Future of Applicators Depends on Enactment of Reasonable Legislation ..... Mar. 53
Moore, Robert A.; Can Helicopters Compete With Airplanes in Agriculture? ..... April 57
Morr, Ralph V.; Spreading Problems ..... April 52
